

City of Piedmont Permit Application

All Building Permits require staff review therefore we are unable to issue building permits on an immediate basis. Building permits require extensive review and will be completed in a timely basis. **Residential:** One set of plans (paper and electronic) with plot plans are to accompany the completed building permit for review. **Non-Residential:** Two paper sets and one electronic copy of dimensioned plans are to accompany the completed building permit for review. Staff will contact you wen your building permit has been issued and is ready for pick up.

PLEASE NOTE: ALL FEES ARE TO BE PAID BEFORE A PERMIT CAN BE ISSUED. THE CITY OF PIEDMONT'S FEE SCHEDULE CAN BE FOUND ON THE CITY WEBSITE. FEES ARE SUBJECT TO CHANGE. NO CONSTRUCTION IS TO BEGIN WITHOUT AN AUTHORIZED BUILDING PERMIT.
